

QUALITY TURBO POWER SERVICES

A Complete solution for rotating equipments

*Power plant equipment erection,
services, trouble shooting
Refurbishment & Spae Parts*

Executive Summary:

M/s. Quality Turbo Power Services is a multi disciplinary, growth oriented, Engineering and service organization headquartered in Hyderabad. established in 2018, by a group of Engineers with the primary focus to serve the power/process industry. We as an organization have varied & vast experience in Engineering, Operation & Maintenance, Overhauls, Trouble shooting, Fabrication and Erection & Commissioning of rotating equipment & its auxiliaries.

Services Offered :

Erection & Commissioning:

We offer world-class Erection & Commissioning Services with committed quality. These services are being offered by using advanced technology and sophisticated machines. We have successfully delivered erection and commissioning of STG Sets, Turbo Blowers, Turbo Compressors, DG Sets & Chillers.

Troubleshooting & Overhauls :

Quality Turbo provides troubleshooting services and we are equipped to solve not temporarily problems but also the entire range of technical and operational problems that can afflict a plant. Our team efficiently undertakes complete overhauling services of turbine systems, turbo generators, boilers and its auxiliaries, high speed centrifugal compressors, pumps turbo blowers, gear boxes and gas turbines of all makes and models, at various industries viz., power generation, petro chemicals, fertilizers, paper manufacturing steel production etc.,

Repair & Reconditioning:

We offer Repair & Reconditioning of various Rotatory Equipment's. These services are being offered by using advanced technology and sophisticated machines. We have successfully delivered the equipment till the commissioning.

Operation & Maintenance :

We provide fully integrated power plant operations and maintenance and utility services.

Quality Turbo is a company of young entrepreneurs and we consider people as our biggest assets. We encourage excellence and value intellect among our people.

Our well-defined understanding of client specifications and their requirement for a timely delivery, serve as the principal foundation for our commitment.

We have gained a reputation for integrity from our customers as our work speaks for itself, while legacy of past projects has ensured continued success.

With decades of world-class engineering services expertise under our belt, Quality Turbo has earned the trust and support of clients.

Quality of every project we deliver is the foundation stone of our value proposition where every project is processed through quality control measures.

We are committed to our clients' approval and our work is not complete until all specifications have been met and our client is satisfied.

100% SATISFACTION GUARANTEED

Spare Parts Suppliers

Guide Blades, Moving Blades, Diaphragms, Journal Bearings of Cylindrical, Two Lobe, Four Lobe, Tilting Pads, Sleeve Bearings and Thrust bearings, Governing System-Spindles, Valve Cones, Bolts, Complete Yoke Assemble, Servomotor & Pilot Valve Assemblies, Steam Glands, Oil Gland Assemblies, Pinion & Gear, Wheel Shafts for Gear Boxes, Impellers & Shafts Etc.,

Project Details

S1. No	Nature of work	Name of the comstamer	Site location
1.	Erection & Commissioning of 25 MW Siemens make TG set	KCPL Bididi corporation Pvt Ltd ISGECHEAVY ENGINEERING	Bidadi Karnataka
2.	Erection & Commissioning of 25 MW Siemens make TG set	Andhra sugar Pvt Ltd	Rajamundry Andhra Pradesh
3.	Mejor Overalling of BHEL TG	National Fertilizer limited	Vijaipur Madhya Pradesh
4.	Erection & Commissioning of 25 MW Siemens make TG set	Acc cement Thermax	Bhilai, Raipur Chhattisgarh
5.	Erection & Commissioning of 23 MW Siemens make TG set	Ultratech cement	Darlaght Himachal Pradesh
6.	Erection & Commissioning of 18 MW Siemens make TG set	Acc cement (adani) Aalu Walia projects	Katni Madhya Pradesh
7.	Erection & Commissioning of 18 MW Siemens make TG set	Barathi sugar Privilege Bikaon boiler limited	Vita Maharashtra
8.	MEJOR OVERALLING OF 18 mw triveni make TG set	Cauvery steel & iron Pvt Ltd	Medak Telangana
9.	MEJOR OVERALLING OF 8 mw triveni turbine TG set	Suguna sponge & iron Pvt Ltd	Tadipatri Andhra Pradesh
10.	Erection & Commissioning of 30 MW Siemens make TG set	Tata chemicals pvt ltd Siemens	Mithapur Gujarat

11.	MEJOR overalling of 18 MW triveni make TG set	Pushpit steel Pvt Ltd	Srikalahasti Andhra Pradesh
12.	MEJOR overalling of 18 MW triveni make TG set	Kranti sugar Pvt Ltd Uttam energy	Pune Maharashtra
13.	Erection & Commissioning of 22 MW Siemens make TG set	Goal chemicals	Arang, Raipur Chhattisgarh
14.	Major overalling of 25 MW BHEL make TG set	Skis ispat & power Pvt Ltd	Raipur Chhattisgarh
15.	Majer overalling of 30 MW HTC make TG set	Godavari ispat & power Pvt Ltd	Raipur Chhattisgarh
16.	Major overalling of 12.5 mw BHEL make TG set	IOCL MATHURA REFINERY	Mathura Uttar Pradesh
17.	Majer overalling of 25 MW Siemens make TG set	MFL	Bharuch Gujarat
18.	Major OVERALLING OF 30 MW Siemens TG set	Jk pepper mille Siemens	Rayagada Odisha
19.	Erection & Commissioning of 60 MW BHEL make TG set	Real ispat power Pvt Ltd	Tilda Chhattisgarh
20.	Majer overalling of 25 MW Siemens make TG set	Haldia petrochemicals	Haldia West Bengal

Our Team

Mr VEERESHAM (HEAD SERVICES) (Ex BHEL - HYDERABAD)

Mr. Veeresham is Mechanical Engineer by profession and he is working in the field Power Plant Erection & Commissioning, Overhauling and Troubleshooting on Steam & Gas Turbines from 1 MW to 500 MW capacities for over 38 years.

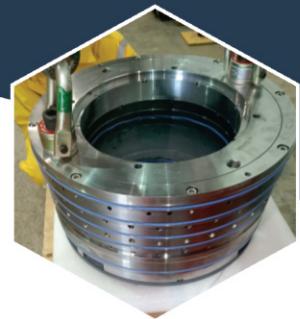

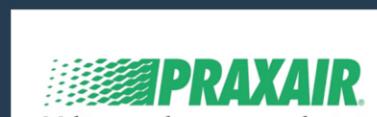

Mr S BALAKRISHNA REDDY (Managing Director)

Mr. Balakrishna Reddy is a Mechanical Engineer with 17 years of experience in Erection, Overhauling and Commissioning of Steam Turbines and Compressor & Operation and Maintenance in various in Power Plant.

Mr KISTA REDDY (MECHANICAL SERVICES)

Mr. Kista Reddy is a Mechanical Engineer by profession and he is working in the field power plant on Troubleshooting, Commissioning & Overhauling - Especially for Regulation System on Steam turbines for over 18 years.
